The Bay State: A Multicultural Landscape **Photographs of New Americans by Mark Chester**

Great Hall Art Exhibit: August 2nd through 27th
Artist Reception August 27, 4-6 pm

Join Photographer Mark Chester for a reception Sunday, August 27, 4-6 pm, celebrating his photography and book, *The Bay State: A Multicultural Landscape*. “For forty years with wanderlust and curiosity I covered the continents photographing cultural landscapes. I’ve come full circle—traveling the world not leaving the state.” *The Bay State: A Multicultural Landscape*, supporting the Massachusetts Immigrant and Refugee Advocacy Coalition, is a collection of informal, environmental portraits of ethnic diversity in Massachusetts. The exhibit and companion book bring awareness to our cultural diversity: subjects of various stations, foreign-born, naturalized U.S. citizens residing in the Commonwealth. Co-sponsors include: Friends of the Great Falls Discovery Center. Light refreshments provided.
