Designed for fun family learning by Deerfield’s Pocumtuck Valley Memorial Association (PVMA), the space includes two simulated 19th century cabinets (precursors to today’s museums), a “make your own collection” takeaway activity, dinosaur track reproductions and more! (During the larger events listed below in the Great Hall in March, the exhibit might not be fully visible, and the exhibit will not be visible on Saturday, March 10th until after 2 pm.)</p>
